With effect from 1 Aug 2000, dutiable motor vehicles may be removed from motor vehicle licensed warehouses for up to one month without prior approval from Head Warehousing for the following purposes:

- a) Display at showrooms;
- b) Minor works at workshops; and
- c) Inspections by Land Transport Authority.

2 Licensees will be liable for the Customs duty and GST payable on the motor vehicle if a motor vehicle was lost, damaged, stolen or could not be satisfactorily accounted for while it was temporarily moved outside the licensed warehouse.

3 For removal of dutiable motor vehicles for purposes that are not listed in paragraph 2 above or if the period of removal is expected to exceed one month, licensees would have to obtain prior written approval from Head Warehousing.

4 Licensees are required to maintain proper records at their warehouses of the movements of the dutiable motor vehicles into and out of the licensed warehouses. Details of the records should include lot number, chassis/engine number, date of removal, purpose of movement, address of temporary storage and date of return of the motor vehicle.
